Joseph Marcello

Heal Thyself Pieter De Wet,2010-06-29 With our health care system at its breaking point, it is incumbent upon each of us to learn how to better take care of ourselves. Is it conceivable that disease is a blessing, not a curse—a biological solution to internal imbalances created by unresolved inner conflicts, lifestyle, environmental toxins, and infectious agents? Author and doctor Pieter J. De Wet sheds new light on why and how you get sick and guides you through the most critical steps on how to gain your health back in *Heal Thyself: Transform Your Life, Transform Your Health*. 'Every patient should read this book in order to gain optimum health. Heal Thyself helps even the novice patient understand how most illnesses actually develop and how the patient can take responsibility for their own recovery using safe, effective, noninvasive techniques.' —William Lee Cowden, MD, MD(H) By understanding the purpose of disease and its root causes, the solutions become readily apparent. Follow Dr. De Wet's twelve-week plan, and let *Heal Thyself* empower you to embrace these solutions and no longer feel that you are at the mercy of unpredictable and devastating scourges.

[The Healing Power of Pyramids](#) Joseph Marcello,2017-03-09 A landmark work in the field of sacred geometry and healing, the revelational new book, *THE HEALING POWER OF PYRAMIDS*, by Joseph Andrew Marcello, brings millennia of ancient insights together with stunning contemporary discoveries about the power of pyramids - as well as other energy forms - into one deeply-researched volume, soon to be available. With a special chapter by pyramid savant, Dr. Patrick Flanagan, on his astonishing life and work, late-breaking scientific data on spectacular Russian, Ukrainian and international pyramid research, as well as a complete inclusion of mystic Paul Brunton's chapter, *A Night in the Great Pyramid* - documenting his encounter with both the forces of darkness and the messengers of light - *THE HEALING POWER OF PYRAMIDS* takes a quantum leap in bringing the art and science of energy-architecture into the 21st century, where it rightfully belongs, as a major venue and vehicle for enhancing human life and function on every level - from the physical to the metaphysical. *THE HEALING POWER OF PYRAMIDS* brings the world the welcome message that the implementation of these ancient wisdoms and modern scientific findings need not be beyond its reach, either physically or financially, and that pyramid power can be a living reality in the life of virtually any individual who cares to make it so; indeed, through the ready availability of easily procured and constructed titanium frame pyramids, and within mere moments, one can, so to speak, invite the Infinite Source-Field into one's life and space as an ongoing daily reality - with palpable positive results. *THE*

HEALING POWER OF PYRAMIDS represents a quantum leap forward in the realms of pyramid energy research, featuring stunning medical and scientific documentation on the power of sacred Pyramid geometry to attract, magnify and radiate subtle higher forces from the cosmos and terrestrial broadcast energies for health, healing and spiritual empowerment. THE HEALING POWER OFPYRAMIDS reveals the living reality lying beneath the mysteries, legends and lore surrounding ancient cultures' reverence for pyramids as collectors and repositories of universal frequencies for the enlightenment and upliftment of the human race, with many chapters on pyramid healing, history, practice protocols, meditation, pet care and enhancement of water, food and supplements. THE HEALING POWER OF PYRAMIDS features new and cutting-edge revelations by the world's most committed explorers of Sacred Energies, including Dr. G. Patrick Flanagan, author of Pyramid Power and Beyond Pyramid Power, Nick Edwards, creator of sacred geometric structures, and Polish pyramid researcher and healer, Jarek Mironski. THE HEALING POWER OF PYRAMIDS unlocks the door to the Unknown, challenges longstanding and outworn 3-dimensional energetic paradigms that have governed scientific thinking for the past 5,000 years and open the path to a still untapped resource for enhancing human life on earth. THE HEALING POWER OF PYRAMIDS is the key to a new and better way of life.

Flanagan Speaks! ,2019-06 Over the course of the past half-century, Dr. G. Patrick Flanagan has, been--and remains- one of earth's most fascinating children--a child science-prodigy whose gifts brought the highest officials running to his door, a research scientist hired by the Pentagon as well as a lifelong mystic who found himself inexplicably bonded with the 19th century genius, Nikola Tesla. Flanagan's discoveries and researches have ranged from studying the secret life of dolphins to exploring the secret of the lifelong health and longevity of the Hunzas in Northern Pakistan. He is the creator of the Neurophone, a device which enables 'vibrational hearing' in the deaf, as well as of Megahydrate, which maximizes molecular absorption of water for optimal health. But perhaps Flanagan's most epic researches were those centering around pyramids and pyramid energy, a field in which he produced some 5 books which broke open the long concealed secrets of the pyramids. In 'Flanagan Speaks!' Volume 1, the seventh in the Flanagan Revelations series, Patrick is interviewed by Deepak Chopra, Paula Peterson, radio show host Patrick Timpone and writer Joseph Andrew Marcello on the story of his life, as well as upon his deeper insights into health and healing, Hunza water and deeper pyramid lore. A wonderful complement to his own writings.

Timeless Healing Herbert Benson, Marg Stark, 1996 The key to TIMELESS HEALING is what Dr Benson calls 'remembered wellness' - a term which may revolutionise the way that health care is practised in the Western world. A Harvard physician who has been immersed in science for thirty years, Dr Benson explains how he became convinced that humans are literally programmed with a need for faith. He reveals that when people call upon faith, they activate neurological pathways for dramatic self-healing. Detailing the scientific evidence, Dr Benson clearly shows how you, along with a caring physician or healer, can tap into your reservoir of 'remembered wellness' to affect and cure 60 to 90 per cent of medical complaints. In this important new study, Dr Benson does not dismiss modern health care out of hand. Instead, he proposes practical ways in which patients and the medical community can make faith an integral part of modern medicine, drawing upon all components of health care - medications, medical procedures, alternative remedies and self-care that includes remembered wellness. Along TIMELESS HEALING's journey of enlightenment, Herbert Benson creates a wonderful web of personal anecdotes, scientific research, social commentary, and spiritual wisdom that outlines a powerful life-transforming and society-changing blueprint for healing.
