Mythras (Hardback) Pete Nash, Lawrence Whitaker, 2021-02-06 Mythras Core rules Mythras is the acclaimed roleplaying game from The Design Mechanism. For those new to the game, Mythras is a straightforward, roll-under percentile system. In Mythras your characters are defined by their culture, career, community, background, comrades, skills, magic and cults. Progression is through skill advancement - not levels or similarly abstract concepts. As your characters adventure and quest, their capabilities improve and their relationships deepen and strengthen. Players and Games Masters have complete flexibility over what can be achieved, and the way characters develop is entirely dependent on choices players make, depending on their characters' aspirations and motivations. Games Masters receive a huge amount of support through the Mythras rules. All the concepts and game mechanics are explained clearly with options and considerations explored and presented for ease of use. You need only this rulebook for many years of exciting and imaginative play. Mythras contains everything needed for play, except for dice and friends. It includes five magic systems, innovative combat, over 60 creatures, and copious guidance on how to use the rules and run Mythras games! Come and try one of the best roleplaying systems around...

All for One Paul Wade-Williams, 2010-07-13 The year is 1636 and France is a troubled nation. A great and terrible evil gnaws at its core. Darkness stalks the land. All that stands between chaos and order are the King's Musketeers. Explore a France of swashbuckling action, powerful magic, daring deeds, courtly intrigue, witty repartee, and vile monsters! The characters are France's bravest and proudest defenders, the King's Musketeers. Pitted against them is a plethora of corrupt nobles, black magicians, fell demons, and twisted secret societies. Set at the height of power of Cardinal Richelieu and Louis XIII, *All for One: Regime Diabolique* mixes the action of literary works such as the *Count of Monte Cristo* and *The Three Musketeers* with horror and intrigue to create a unique, vibrant setting. The high-action is powered by Ubiquity, an innovative role playing game system that emphasizes storytelling and cinematic action. Strap on your sword, salute the King, and prepare to fight the creatures of darkness! *All for One: Regime Diabolique* is a complete roleplaying game from Triple Ace Games.

Hellfrost Paul Wade-Williams, 2009-12-01 TRAVEL THE LANDS OF SNOW AND ICE A world of adventure at your fingertips! This supplement for the Hellfrost setting details the entire continent of Rassilon. From the snow-shrouded wastes of the High Winterlands to the relatively warm hills of the southern Hearthlands, this book covers every realm and major settlement, plus numerous sites of adventure. A handy reference section provides the GM with information of how to construct his own steads, villages, and towns. Organized with the GM's needs in mind, each realm covers basic socio-political information, important background, the nation's government and military, adventure hooks, as well as notes on the geography and major locales. Also covered in this volume are important organizations of less than savory reputation. Now your heroes can fight the cultists of the Ashen veil, who crave immortality through necromancy, defend remote settlements from the cannibalistic Cult of the Bear God, and confront the Seekers of the Black Key, who desire nothing less than to release the forces of the Abyss. The Hellfrost Gazetteer contains no rules information, making it a valuable resource regardless of your favoured roleplaying system. *Hellfrost: Gazetteer* is a core book in the epic Hellfrost setting for the award-winning *Savage Worlds* RPG.

Alien RPG Free League Publishing,2019-12-10 Space is vast, dark, and not your friend. Gamma rays and neutrino bursts erupt from dying stars to cook you alive, black holes tear you apart, and the void itself boils your blood and seizes your brain. Try to scream and no one can hear you - hold your breath and you rupture your lungs. Space isn't as empty as you'd think, either - its frontiers are ever expanding. Rival governments wage a cold war of aggression while greedy corporations vie for valuable resources. Colonists reach for the stars and gamble with their lives - each new world tamed is either feast or famine. And there are things lurking in the shadows of every asteroid - things strange and different and deadly. Things alien. This is the official ALIEN tabletop roleplaying game - a universe of body horror and corporate brinkmanship, where synthetic people play god while space truckers and marines serve host to newborn ghoulish creatures. It's a harsh and unforgiving universe and you are nothing if not expendable. Stay alive if you can--Back cover.
