We Who Wrestle With God Jordan B. Peterson, 2024-11-19 The revolutionary new offering from Jordan B. Peterson, renowned psychologist and author of the global bestseller *12 Rules for Life* In *We Who Wrestle with God*, Jordan Peterson guides us through the ancient, foundational stories of the Western world, analyzing the Biblical accounts of rebellion, sacrifice, suffering and triumph that stabilize, inspire and unite us, culturally and psychologically. Adam and Eve and the eternal fall of mankind; the resentful and ultimately murderous war of Cain and Abel; the cataclysmic flood of Noah, the spectacular collapse of the Tower of Babel; Abraham's terrible adventure, and the epic of Moses and the Israelites: What could such stories possibly mean? What force wrote and assembled them, over the long centuries? How did they bring our spirits and the world together, and point us in the same direction? It is time for us to understand such things, scientifically and spiritually; to become conscious of the structure of our souls and our societies - to see ourselves and others as if for the first time. Join Elijah as he discovers the Voice of God in the dictates of his own conscience, and Jonah, confronting hell itself, in the belly of the whale, because he failed to listen and act. Set yourself straight in intent, aim and purpose, as you begin to more deeply understand the structure of your society and your soul. Journey with Jordan Peterson through the greatest stories ever told. Dare to wrestle with God.

Wrestling with God Ronald Rolheiser, 2019-09-17 The bestselling author of *The Holy Longing* provides an inspiring message of hope and perseverance for all of us struggling with our faith in tumultuous times The last few decades have rapidly birthed a modern world that would have been unrecognizable fifty years ago. As long-held beliefs on love, faith, and God are challenged by the aggregate of changes that have overhauled our world, many of us are left feeling confused and uncertain while old norms are challenged and redefined at breakneck speed. In *Wrestling with God*, Ronald Rolheiser offers a steady and inspiring voice to help us avow and understand our faith in a world where nothing seems solid or permanent. Drawing from his own life experience, as well as a storehouse of literary, psychological, and theological insights, the beloved author of *Sacred Fire* examines the fears and doubts that challenge us. It is in these struggles to find meaning, that Rolheiser lays out a path for faith in a world struggling to find faith, but perhaps more important, he helps us find our own rhythm within which to walk that path.

Living in The Story Charlotte Vaughan Coyle,2021-08-26 What kind of book is the Bible? Is it a rulebook or a guidebook for moral living? Is it a history book or a book filled with fascinating (and sometimes fantastic) stories? Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed? Many people have asked these questions about the nature of this beautiful, odd, comforting, disturbing book the church calls its "Holy Scripture." Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read-through-the-Bible-in-a-year project. She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices, a work of art that paints an alternative vision of reality, a complex novel-like story unavoidably embedded in its own culture and time, and yet able to give witness to the God beyond history who has acted (and continues to act) within history. With the heart of a pastor and the passion of a preacher, Rev. Coyle invites seekers and students (both church and un-church) to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense, colorful, mysterious world of the Bible.

Beyond Order Jordan B. Peterson,2021-03-02 The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

Women Living Well Courtney Joseph Fallick,2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. I Capture the Castle Dodie Smith, 2003-04-01 One of the 20th Century's most beloved novels is still winning hearts! I Capture the Castle tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has captured the castle-- and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series

Habakkuk Walter J. Chantry, 2008 Like many other characters in Scripture, the prophet Habakkuk bore a significant name. 'Habakkuk' is a form of the Hebrew word for 'embrace' and conveys the idea of a wrestler in an embrace with his opponent. As Walter Chantry shows in this book, Habakkuk lived out his name by wrestling with God in prayer in the midst of a national and international situation resembling our own in many respects. As we read his prophecy, we hear Habakkuk pray, then listen as the Almighty responds. The divine response at first seems overwhelming. Yet at its centre is a glorious revelation of the very heart of the gospel (Hab. 2:4). In this brief exposition, previously published in the Banner of Truth magazine, Chantry draws out themes that are timely, challenging, but ultimately full of comfort.

Wrestling with God and Men Steven Greenberg, 2004-02-23 For millennia, two biblical verses have been understood to condemn sex between men as an act so abhorrent that it is punishable by death. Traditionally Orthodox Jews, believing the

scripture to be the word of God, have rejected homosexuality in accordance with this interpretation. In 1999, Rabbi Steven Greenberg challenged this tradition when he became the first Orthodox rabbi ever to openly declare his homosexuality. *Wrestling with God and Men* is the product of Rabbi Greenberg's ten-year struggle to reconcile his two warring identities. In this compelling and groundbreaking work, Greenberg challenges long held assumptions of scriptural interpretation and religious identity as he marks a path that is both responsible to human realities and deeply committed to God and Torah. Employing traditional rabbinic resources, Greenberg presents readers with surprising biblical interpretations of the creation story, the love of David and Jonathan, the destruction of Sodom, and the condemning verses of Leviticus. But Greenberg goes beyond the question of whether homosexuality is biblically acceptable to ask how such relationships can be sacred. In so doing, he draws on a wide array of nonscriptural texts to introduce readers to occasions of same-sex love in Talmudic narratives, medieval Jewish poetry and prose, and traditional Jewish case law literature. Ultimately, Greenberg argues that Orthodox communities must open up debate, dialogue, and discussion—precisely the foundation upon which Jewish law rests—to truly deal with the issue of homosexual love. This book will appeal not only to members of the Orthodox faith but to all religious people struggling to resolve their belief in the scriptures with a desire to make their communities more open and accepting to gay and lesbian members. 2005 Finalist for the Lambda Literary Awards, for Religion/Spirituality

The Magnificent Defeat Frederick Buechner, 1985-05-08 In *The Magnificent Defeat*, Frederick Buechner examines what it means to follow Christ, the lessons of Christmas and Easter, the miracles of grace, and the magnificent defeat of the human soul of God.

The Naked God Vincent Strudwick, Jane Shaw, 2017 'Every generation puts clothes onto God to help their understanding; but the underlying reality of God still lies beneath those garments. If we go on clothing God only with garments that are suitable for medieval Christendom, or any other age, then we can hardly expect that God will be understood in the twenty-first century.' We live in an age in which many people are interested in spirituality but have been disillusioned by the Church and are unaware of what lies behind institutional religion. There is little knowledge of historical attempts to understand and to 'clothe' God, and it is more difficult for twenty-first-century generations to find the tools with which to wrestle with the big questions about who we are and how we relate both to God and to each other. Vincent Strudwick - in collaboration with theologian, historian and priest Jane Shaw - invites all readers to become wrestlers: to explore difficult questions about God, the Bible, spirituality and the Church.

Wrestling Prayer Eric Ludy, Leslie Ludy, 2009-07-01 Eric and Leslie Ludy have a strong platform among 20-to-40-year-olds—because their lives show that Christian ideals, when practically lived out, become realities that make the lives of Christians the most satisfying and challenging on earth. In *Wrestling Prayer*, readers who hunger for this pattern of living will see that a great prayer life is more than a nice-sounding concept—it's down-to-earth and attainable. Eric and Leslie urge

transformation— from doubting God's power to expecting His supernatural intervention from distance from God to connection with Him from the sense of falling short to the strength of victory from bless this food prayers to world-changing intercession from feeling defeated to setting people free Readers whose concept of prayer has fallen into disrepair will newly desire to pray and bring God's purposes to bear on earth. Wrestling Prayer will light a soul-fire that can burn bright and hot for years to come.

Parable and Paradox Malcolm Guite,2016-05-27 Since the publication of the bestselling *Sounding the Seasons*, Malcolm Guite has repeatedly been asked for more sonnets. This new collection offers a sequence of 50 sonnets that focus on many passages in the Gospels: the Beatitudes, parables and miracles, teachings on the Kingdom, and the 'hard sayings' - Jesus' challenging demands with which we wrestle. In addition this collection includes: •A sequence of seven sonnets on 'The Wilderness', exploring mysterious stories of divine encounter such as Jacob's wrestling with the angel. •Poetic reflections on music, hospitality and ecology. •Seven short poems celebrating the days of creation. •A biblical index pairing the poems with scripture readings for use in worship.

Wrestling With My Thoughts Sharon Hastings,2020-01-16 She couldn't believe it. There she was with her medical qualifications sitting on the floor of a mental hospital. She'd been baptized, offered her life to God, wanted to serve him anywhere, but no, surely not this... Sharon Hastings is absolutely passionate about helping anyone who suffers from 'severe and enduring mental illness' (SEMI): schizophrenia, bipolar disorder and schizoaffective disorder. She wants the church to know all about these illnesses: how they devastate ordinary people and how they need to be treated. By telling her story, warts and all, showing her own tortuous, painful journey, she equips us to come alongside loved ones, fellow church members, friends and neighbours, understanding the social and spiritual ramifications of their illnesses, including them in our activities (where appropriate) and encouraging their spiritual growth. A natural storyteller, the author draws us in. We journey with her as she shares deeply. With wisdom, kindness and the heart of a bruised survivor, she interweaves her exceptional story with vital teaching which cannot be ignored by anyone within the church today.

Honest to God Charlie W. Starr,2005 Starr establishes a strong, confident, and more fulfilling faith by wrestlingwith life's questions posed by Jesus in the Gospels.

Invisible Lines of Connection Rabbi Lawrence Kushner,2012-01-10 "Suppose there is something going on in the universe which is to ordinary, everyday reality as our unconcious is to our daily lives? Softly, but unmistakably guiding it. Most of the time, we are unaware of it. Yet, every now and then, on account of some 'fluke,' we are startled by the results of its presence. We realize we have been part of something with neither consciousness nor consent. It is so sweet—and then it is gone. You say, 'But I don't believe in God.' And I ask, 'What makes you think it matters to God?' —from Lawrence Kushner, whose previous books have opened up new spiritual possibilities, now tells us stories in a new literary form. Through his everyday

encounters with family, friends, colleagues and strangers, Kushner takes us deeply into our lives, finding flashes of spiritual insight in the process. Such otherwise ordinary moments as fighting with his children, shopping for bargain basement clothes, or just watching a movie are revealed to be touchstones for the sacred. This is a book where literature meets spirituality, where the sacred meets the ordinary, and, above all, where people of all faiths, all backgrounds can meet one another and themselves. Kushner ties together the stories of our lives into a roadmap showing how everything “ordinary” is supercharged with meaning—if we can just see it.
