**Initiation into Hermetics: The Path of the True Adept** Franz Bardon, 2020-11-16

*Initiation Into Hermetics* Franz Bardon, 2001 Hermetics is a term given to the ancient Egyptian path of magic, self development and self enlightenment. In this volume the author focuses his attention on the practical training necessary for all true magical attainment. Using the four elements of fire, water, air and earth, he teaches the student how to master these forces in the three worlds of the body, soul and spirit and provides detailed training in the entire arcanum of magic. Teachings cover virtually all magical techniques from basic techniques in thought control, meditation and imagination to advanced teachings in astral travel, spiritual healing ,clairvoyance, seeing the aura and creation of talismans. A complete spiritual path of attainment in one book Learn to transform and eliminate the negative characteristics of the personality Master the hidden spiritual forces in nature Virtually every magical technique covered in one volume

**Realization Into Hermetics Initiation** Magnus Sarmarx, 2018-02-02 In *Initiation Into Hermetics* Franz Bardon presented a system of practices graded by degrees to accompany the Adept from the simplest level to the most complex state, yet both the practices and teachings contained in his book function only as tools that only in hand Of someone able to use them correctly come to their ultimate goal. How many people have practiced so dedicatedly and still practice these techniques and fall short of what they hoped to achieve? How many years have you dedicated to this goal? In order to carry out the Great Work an unshakable determination is always necessary, but if you continue to use the same techniques always you will unfortunately always get the same results, how much time do you still believe you have in this life to achieve what you set out to achieve? Using improved techniques in the right way and improving them always more is what will lead to the dreamed goal and we have no time to lose. Among the Alchemists it was said that the philosopher's stone is like a forgotten treasure in a pit and that the more one tried to catch more the gap deepened and more roots appeared between them and their objective. That is exactly what has happened and has plagued many of the dedicated students of Hermetic both today and in the past ages, and the hard truth is made present because the path that can be followed does not lead to the True Path because this is something that presents itself Himself in his own way and with his Absolute Power, unquestioning Authority, being The Strong Force of All Strength, to teach you the means of how to arrive in this state of Supreme Bliss where the Universe converges to bless you is the purpose of this book. Magnus Sarmarx

*Realization Into Hermetics Initiation And Masters Part 1, 2 And 3* Magnus Sarmarx, 2018-05-01 The Realization Into Hermetics Initiation And Masters Part 1 2 And 3 books is united here for preparation for the new book who is coming. In Initiation Into Hermetics Franz Bardon presented a system of practices graded by degrees to accompany the Adept from the simplest level to the most complex state, yet both the practices and teachings contained in his book function only as tools that only in hand Of someone able to use them correctly come to their ultimate goal. How many people have practiced so dedicatedly and still practice these techniques and fall short of what they hoped to achieve? How many years have you dedicated to this goal? In order to carry out the Great Work an unshakable determination is always necessary, but if you continue to use the same techniques always you will unfortunately always get the same results, how much time do you still believe you have in this life to achieve what you set out to achieve? Using improved techniques in the right way and improving them always more is what will lead to the dreamed goal and we have no time to lose. Among the Alchemists it was said that the philosopher's stone is like a forgotten treasure in a pit and that the more one tried to catch more the gap deepened and more roots appeared between them and their objective. That is exactly what has happened and has plagued many of the dedicated students of Hermetic both today and in the past ages, and the hard truth is made present because the path that can be followed does not lead to the True Path because this is something that presents itself Himself in his own way and with his Absolute Power, unquestioning Authority, being The Strong Force of All Strength, to teach you the means of how to arrive in this state of Supreme Bliss where the Universe converges to bless you is the purpose of this book. The Path to the Great Work is unique in its direction but multiple in its strands. Hermeticism is to follow this path by obtaining the union of all powers and balancing them both in a Passive Receptive and Active Aggressive manner, the union of the Elements and their Absolute Control over the protection of the Law of Manifestation of Polarity is the Realization of the Scepter of the Power and the full consecration of the Master in this art. The human being in his conscious state supports only a tiny fraction of the Cosmic Consciousness thus making it impossible for him alone to touch and unite with the higher powers, only with the application of the Law of Polarity in its deepest strand is obtained So your success, both your Conscious and Perceptible as well as your Unconscious and Imperceptible, must be directed towards achieving such a noble goal. For the vast majority of the uninitiated, what they do not perceive and which can not be touched or conceivable by them is not part of their world, practically for them is something that does not exist yet it is precisely this inconceivable and unexpected part that when presented In their lives it assaults to him of surprise and of fatal way. When a Higher Power manifests itself in the world it is only perceptible and comprehensible in its totality to those who are on the same level, the lower levels only perceive fractions, and the lower ones have never been able to comprehend it, and these which are so are Adapted so much to their material physical state that they disconnected completely forgot the Grandiosity from which they came, from the Power of their Microcosm and from their Sacred counterpart The Macrocosm. The Initiate was already able to apply the Law of

Polarity and thus obtain and fix his own reintegration with the flow of Divine Providence in this world strengthening him with blessing and power, making his life be watched over by Superior and Absolutely Holy Forces, And now to consecrate his masters he needs to reintegrate with the foundation of this power so deeply that they will become more than inseparable. When he came into this world his Being in the process of incarnation was turned away from the Holy Powers, Forces and Plans, his vibrational state equaled to this time and finally to the material, social and emotional environment, then reborn, yet his Spirit in his state Always imperative and present directed him again by the experiences of his life and by the love of his heart to reintegrate and rise again reconnecting to the Sacred Plans, Forces and Powers thus extinguishing their pendencies with this world and allowing their Ascension, the first step in this Sacred Way has already been given in the last Book with the True Initiation and now its Kingdom must be re-erected here in its fullness to obtain the Master, only from this conquest that can go forward and obtain Sacred Realization. The Universal Fire establishing itself in the Magus as it was shown in the practices of the last book, grants it abilities and powers that for many were unknown and sometimes unbelievable, make use of its forces and carry on with all its Power, we will still speak in the First part of this book how to stabilize and deepen still further in this force, there is nothing in the world that can be compared to it, this Force and this Power is the Foundation for your salvation and after the Realization you can obtain with it the Supreme Most Holy Sacred Sword, And in obtaining this Upper and Crushing Force his horizons widened beyond the barriers of the mortal world and at this point he could Open the Way to his beloved brethren who, still trapped, the chains of the world follow in the midst of great sufferings with unshakeable strength and will on the way Of the Great Work. When the time comes, just as I am doing to you, my holy brother, lift your Supreme Most Holy Sacred Sword and Walk the Path for them. For the Initiate who has already built the pillars of the Universal Elements, Fire and Air, their resources will be expanded here so that they can safely obtain the pillar of the Universal Water element. This is the next step. Fire is Strength and Power. Air is Wisdom and Water is Universal Love from which Blessing, Healing and Infinite Life is born, uniting Human Heart with Divine Heart, micro and macro, and the infinite power that is born from this state, being in the Now living consciously and unconsciously in the deepest center of All Powerful Superior loving deeply and generating strength and being deeply loved thus generating courage. By locating and accepting the love of the beings of the universe, accepting that there are forces and powers that through Divine Grace and its infinite power, mercy and strength, protect and bless you deeply, recognizing and reconnecting with this Supreme Power and feeling it fully. By maintaining this power and this state of receptivity, feel this active power deeply in your life, present, past and future, conscious and unconscious, Lucky Success and Well-Being, alive, permanent and real. **Summary of Franz Bardon's Initiation Into Hermetics** Everest Media,2022-06-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The elements are the fundamental forces that make everything in the universe exist. They are the foundation of all things. The sequence of the tattvas in accordance with the Hindu system is as follows: Akasha, Tejas, Vayu, Apas, and Prithivi. #2 The four coarser tattvas came forth from the fifth tattva, the Akasha principle. The Akasha is the causal principle and, as the fifth energy, it is to be acknowledged as the quintessence. #3 The first element to come out of the Akasha is Tejas, the principle of Fire. The Fiery principle is active and latent in everything created in the entire universe, from the smallest grain of sand to the highest that is visible. #4 The element of Water, unlike Fire, has entirely opposite attributes. It is cold and contractive. The magnetic fluid came forth from this element. Water as well as Fire are active in all regions.

*Three Great Books on Magic* Franz Bardon,2020-12-06 This volume contains three books of Franz Bardon 1. Initiation into Hermeticism 2. The Practice of Magical Evocation 3. The True Key to the Quabbalah In reality, magic is a sacred science,

it is, in the very true sense the sum of all knowledge because it teaches how to know and utilize the sovereign rules. There is no difference between magic and mysticism or any other conception of the name. Wherever authentic initiation is at stake, one has to proceed on the same basis, according to the same rules, irrespective of the name given by this or that creed. Considering the universal polarity rules of good and evil, active and passive, light and shadow, each science can serve good as well as bad purposes. Let us take the example of a knife, an object that virtually ought to be used for cutting bread only, which, however, can become a dangerous weapon in the hands of a murderer. All depends on the character of the individual. This principle goes just as well for all the spheres of the occult sciences. In my book I have chosen the term of “magician” for all of my disciples, it being a symbol of the deepest initiation and the highest wisdom.

*Back Door Into Hermetics* Mark Rasmus, Jake Senn, 2020-09-10 *Back Door Into Hermetics* is a groundbreaking work on Hermetics and spiritual development, and a spiritual successor to the late mystic Franz Bardon's magnum opus, *Initiation Into Hermetics*. Set in Dresden in the early 1930's it chronicles Frabato's magical battles with the members of a powerful and dangerous black lodge. His escape from Germany during the final desperate days of the Weimar Republic and the beginning of his spiritual mission culminating with his classic books on Hermetic magic.
